HEAR FROM OTHER INSPIRATIONAL MO SISTERS

“Joining Movember and facing cancer has opened our eyes to how important it is to be open, honest, and supportive of our children. We want our boys to know it’s okay to ask for help, feel really big emotions, and face scary thoughts.”

JESS TAYLOR
4-YEAR MO SISTER

“Participating in Movember each year seems like a fitting tribute to my dad, who coincidentally lost his cancer battle during the month of November back in 2015. Over the last seven years, I’ve combined my love of walking with Movember’s global fundraising event to get moving for men’s health.”

UNIQUE PHYSICAL CHALLENGE

Alexandra Szatan

In 2021, Alexandra set herself the challenge of running every day of the month with a unique twist - she ran a distance equal to the date divided by two. Starting with 1/4 miles on the 1st and finishing with 9 miles on the 30th, Alexandra proved that anyone can set and achieve fitness goals with a bit of creativity and determination.

Alexandra's challenge wasn't just about pushing herself to the limit - it was also a way to raise money for a great cause. Alex was able to raise over \$4,500 in 2021 and \$23,694 since 2018.

CHAMPIONING MOVEMBER IN THE WORKPLACE

Bailey Forfar and Hannah Gilks

For over 4 years, Bailey and Hannah have been at the forefront of the BMO Capital Markets Movember team. As Mo Sisters, they've brought their own unique style and energy to the cause, organizing educational lunch and learns, fun social events, and even whiskey tastings to help raise funds and awareness for men's health.

They also keep the team engaged and motivated throughout the month, sending out engaging newsletters with progress updates, pictures of their impressive Mo growth, and even trivia contests with prizes.

Thanks to their hard work and dedication, the BMO Capital Markets team has become one of the top Movember fundraisers in the world, raising over \$165,000 in 2022.

UNIQUE PHYSICAL CHALLENGE

Leah Wilson

Leah Wilson may not be able to grow a mustache, but that didn't stop her from getting involved in the fun of Movember. Inspired by the iconic Tom Selleck, Leah created shirts with his mustache front and center, and committed to wearing a new Tom Selleck shirt every day for the month of Movember.

Leah's challenge wasn't just a fun way to show support for men's health - by wearing her Tom Selleck shirts every day, Leah sparked countless conversations about the importance of men's health.

Leah raised over \$5,000 in 2021 with her creative initiative.
